DO YOU FEEL DULL , DEPRESSED ?  
 DOES TENSION PUT NERVES ON EDGE ?  
 ARE YOU SUFFERING FROM RINGWORM, SCURVY, POST-NASAL DRIP ?

If so, we can't help you ...

But, ¡WANK! might.

¡WANK! is an experimental play.

As all scientists know, some experiments succeed,  
 others .....

Who can say about ¡WANK! ?

Certainly not you if you don't see it.

¡WANK! tries to understand the nuclear family, and to  
 open up the problem of alienation in our society.

¡WANK! is the kind of play Mary Whitehouse has come to  
 Australia to KRUSH.

As the imminent German Drama Kritik, Heinrich Thistleknees  
 wrote in the Berlinen Blabberwort - "¡WANK! is viscious, degenerate  
 lewd, lascivious, and morbid- DON'T MISS IT. "
